### PROFILE

I am Vraj Shah, a 20-year-old developer with a passion for app development. I have a strong background in HTML, CSS, and JavaScript, and have experience with some of the most popular frameworks such as Node JS, Wordpress, Flutter, Larawell, and Codeigniter.

Overall, I am a talented and driven developer who would be a great addition to any team. I am always looking for ways to improve my skills and to take on new challenges, and he would be an asset to any organization looking for a skilled app developer.
